

Name: _____

Student ID #: _____

Pre-Registration Checklist for Students on Academic Probation

To ensure students receive academic advisement that will help support them in their efforts to improve their academic performance, a “registration hold” will be placed on their UDSIS record. In order to register for next semester’s courses, students are required to meet with their academic advisor. **This form does not replace the need for students to formally register for their courses in UDSIS during appropriate registration periods.**

✓ Checklist:

- Student makes appointment with academic advisor to discuss status and registration for next semester. If advisor is out of town, student should come to room 104 TNS for a referral.

During the appointment:

- Advisor reviews current academic standing and appropriate UD resources with student **(SEE BACK OF THIS PAGE)**
- Students on Academic Probation are not permitted to enroll in more than 12 credit hours (14 with two labs) each semester. The following four (4) courses were recommended to this student:
 - 1.
 - 2.
 - 3.
 - 4.
- Student signs and dates form
- Academic advisor signs and dates form and *gives student a copy of BOTH sides of form.*
- Student emails completed form to anr-academics@udel.edu or drops off to 104 TNS and the “registration hold” will be removed within 24 hours. The student will then be able to register through UDSIS during appropriate registration periods.

I have reviewed the following information with my advisor and/or advisee and understand my responsibilities in this process.

Student Signature _____ **Date** _____

Academic Advisor Signature _____ **Date** _____

University of Delaware and CANR Resources

- 1. “UCanDoIt” CANR Program for Students on Academic Probation**
CANR’s Undergraduate Student Services provides academic support and guidance for CANR students including referral to appropriate resources and periodic appointments to discuss academic progress. To schedule an appointment, please email anr-academics@udel.edu.
- 2. AGcelerate Enrichment Program**
The AGcelerate Enrichment Program <https://sites.udel.edu/agcelerate/>, just for CANR students, offers tailored support necessary for success, including academic development and support, faculty and peer mentoring, career and internship exploration, and social and service-learning activities. For more information, contact Dr. Lesa Griffiths (lesa@udel.edu) or Dr. Vincenzo Ellis (vaellis@udel.edu).
